Im 23 year old man with a fiancé and 2 beautiful daughters (They are not in household) i have had a bad past and a record that speaks for itself, i became a convicted felon for the first time ever at the age of 16, i have been on Supervision/Probation for going on 13 years, im tired of living that way and going in and out of jail constantly, my point is, is that im still young and trying to make a better future for myself all i need is somewhere to start. Thank you for your time, consideration, and for the opportunity to have a chance.
